

Workshop in Karasanoor 1999:

Our third workshop with VCDS/SAG in Karasanoor was held in October 1999. Participants: 32 social activists. Resource persons: Leif Packalén, Ms. Katja Tukiainen, Basheer Ahmed and Marimutthu.

In the beginning a the workshop, a puja ritual was performed.

The walls are filled with comics at a fast rate. In the background Katja Tukiainen and Basheer Ahmed.

Each year a new banner is prepared.

Francis S. Teacher (left) was our oldest participant, he participated in four workshops before his death in 2002. Noel Shedden (behind him) has participated in every workshop since 1997.

This was Katja Tukiainen's first trip to India as a workshop tutor.

We went for outdoor sketching to the Mailam temple near Karasanoor. Temple visitors were intrigued by Katja's sketching.
